

Create a simple cloud web application for student counselling system using any Cloud Service Provider to demonstrate SaaS with the fields of student name, age, address, phone, subjects studied, Year of passing, percentage of marks, domain interest, etc.

Step 1: Create the form of student details

The screenshot shows a web application titled "Student counselling system" running on a Zoho Creator app. The browser address bar shows the URL: `creatorapp.zoho.in/abhinavreddy1688.sse_saveetha/student-counselling-system/#Form:Student_details`. The application has a dark sidebar with the following menu items: "Student Details" (selected), "All Student Details", "Subject Details", and "Payments". The main content area is titled "Student details" and contains the following form fields:

- Student Name:** Two text input fields labeled "First Name" and "Last Name".
- mobile number:** A text input field with a dropdown menu showing "+91" and the number "81234 56789".
- Address:** A text input field labeled "Address Line 1".
- City / District:** A text input field.
- State / Province:** A text input field.
- Age:** A text input field with a placeholder "#####".

At the bottom of the form are two buttons: "Submit" (blue) and "Reset" (white). The bottom of the screen shows a Windows taskbar with various application icons and a system clock showing 12:35 on 15-03-2024.

Step 2: Create the form of Subject details

Step3: Create a form of payments

The screenshot shows the same web application, but now the "Subject details" form is displayed. The browser address bar shows the URL: `creatorapp.zoho.in/abhinavreddy1688.sse_saveetha/student-counselling-system/#Form:Subject_details`. The sidebar menu is the same, but "Subject Details" is now the active section. The main content area is titled "Subject details" and contains the following form fields:

- Subject studied:** A dropdown menu with the text "-Select-" and a downward arrow.
- Year of passing:** A text input field with a placeholder "#####".
- Percentage of marks:** A text input field.
- Domain interest:** A text input field.

At the bottom of the form are two buttons: "Submit" (blue) and "Reset" (white). The bottom of the screen shows the same Windows taskbar with various application icons and a system clock showing 12:35 on 15-03-2024.
